Buyers are expected to pay for their purchases within 24 hours of the Sale Day, as per their MyBCA Card terms and conditions. The above charges reflect the penalty for non payment.

Breakdown of these charges are noted on the BCA purchase invoice highlighting the dates these charges will begin to be incurred.

A late payment/storage charge will be applied in cases of late payment.

If the vehicle fails to be removed from its location following payment, then storage (risk and parking) charges will apply.

Suspended accounts will be charged standard rates.
